- Flexible extension
- Protection package and maintenance included
- Discounted purchase after rent possible

Offer and order process

The entire process takes place via the webshop www.e-bikeabo.ch. The available products and the various terms are displayed and the desired product can be ordered and paid for directly online.

Contract

The contract for personal long-term hire is concluded directly between the employee and Rent a Bike. The prices and general terms and conditions of Rent a Bike for long-term hire apply.

Employees benefit from a 10% discount on long-term hire. Long-term hire is collected from one of the long term hire locations. Home delivery is possible. The promotional code can only be redeemed once per employee.

Rental extension / return / purchase

Rental extension: The rental can be extended flexibly up to a maximum rental period of 36 months. Please send an e-mail to info@rentabike.ch to extend your lease.

In the case of a rental extension, the standard rate will be charged (see table above). Return:

Return the bike at the end of the contract.

Bring all accessories with you (charger, key, operating instructions). Purchase:

80% of the rental price will be deducted from the purchase price up to a rental period of 5 months. From the 6th month of hire

70% of the rent paid. The purchase price is deducted from the sales price from the start of the rental period.
