Benefit from an 8% discount on the rental of an e-bike fleet

Promocode: SKV-112233

Corporate e-bike sharing is the innovative carefree package for the healthy mobility of employees or as a mobility concept for residents of a rental property. The clever alternative to buying your own e-bike fleet. Calculable total costs, minimal effort and absolutely flexible. With our app and fleet software, you can turn your e-bikes into an intelligently networked fleet, which significantly reduces administration costs. The carefree package is available from a term of 3 months and 4 e bikes.

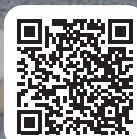

Your advantages at a glance:

- Renting instead of buying- shared and flexible use of the e-bike fleet
- High-quality e-bike models from Swiss production of the Tour de Suisse brand
- Proven e-bikes with assistance up to 25 km/h and 45 km/h
- Quickly implementable measure in the mobility concept
- Reduction of operating costs and emissions from the company fleet
- Relief for parking space shortages
- Maintenance & cleaning on site
- Booking app and Bluetooth lock
