Repairs and spare parts

All prices include repairs and replacement parts. Damage caused by improper use is excluded. Please report any defects as soon as possible to Rent a Bike AG or the registered agent. Repairs will be carried out within 5 working days or a replacement bicycle will be provided.

Liability and protection package

The partner is fully liable for the equipment rented from Rent a Bike AG and its use. Rent a Bike AG accepts no liability in this regard.

The seasonal rental includes a comprehensive protection package, which covers the following services:

- Unforeseen and sudden damage and destruction of a rented bike as a result of an accident or fall during use.
- Damage, destruction or loss of a rented bike as a result of attempted or completed theft.

The following excess applies in the event of damage:

- Accidents: 10% of the cost of the damage, but at least £100 per incident
- Theft incidents: £500.00 per incident

Assistance

Coverage includes restrictions on the roadworthiness of the rented bike as a result of a breakdown, accident or empty battery. A deductible of £100.00 per e-bike will only be charged if the battery is empty. A detailed list of the services included and exclusions will be provided subsequently.
