### Liability and protection package

The partner is fully liable for the material rented from Rent a Bike AG and for its use. Rent a Bike AG rejects any liability in this regard.

Included in the seasonal rental is a comprehensive protection package which includes the following services:

- unforeseen and sudden damage and destruction of a rented bike as a result of an accident or fall during use.
- Damage to, destruction or loss of a rented bike as a result of attempted or completed theft.

The following deductible will be applied in the event of a claim:

- Accident events: 10 % of the damage costs, but at least CHF 100.00 per event
- Theft incidents: CHF 500.00 per event

### Assistance

Restrictions on the fitness to ride of the rented bike as a result of a breakdown, an accident or an empty battery are covered. A deductible of CHF 100.00 per e-bike will only be charged in the event of an empty battery. A detailed list of the included services and exclusions will be sent subsequently.

### Rental prices, discounts and vouchers

We recommend collecting rent from clients in advance.

- Seasonal rental partners without a system package are free to set their own prices.
- Seasonal rental partners without a system package are not official Rent a Bike rental points and are not allowed to charge vouchers and discounts, **nor do** they have to accept them.
- Own vouchers can be created and used.
- **Seasonal rental partners with system package take over the pricing of Rent a Bike.**
- **Seasonal rental partners with a system package accept Rail Checks, Rail Bons, vouchers and discounts from Rent a Bike AG and can offset them at the end of the season.**
- **Seasonal rental partners with a system package receive access to our reservation system "e-vendo rental" and can handle everything directly via it.**
